
Credit Application Package

Complete this packet only if you need to establish a credit account as a conditionally exempt generator (CEG).

Thank you for your interest in a credit account with Metro. Attached is the documentation necessary to apply. The application must be filled out completely and signed by an authorized signer of your company. You must complete this application even if you have an existing solid waste disposal account.

The conditions of credit are fully outlined in Section 5.02.060 of the Metro Code and in Metro Executive Order 49, attached.

We look forward to doing business with you.

Mail this packet in the enclosed envelope, along with your other completed CEG forms, to the hazardous waste facility you plan to use.
