

Pallet and sump (sold as a unit) separate for easy transportation and interlock for an exact fit.

## Going up! Load, unload and stack drums with the PIG® Drum Pallet and Containment Sump.

- Ring-shaped "drum locators" keep drums in place—add second Pallet to stack drums and optimize floor space
- Lightweight poly Pallets won't absorb liquids like wooden pallets—eliminates haz-waste contamination
- Both sump and pallets have four-way forklift entries—move easily from location to location (even when loaded)
- 6,500 lb. static weight capacity holds eight-drum loads with ease
- ◆ 85-gallon sump and flow-through pallets—helps you comply with 40 CFR 264.175 [1999] for containment of haz-waste

No more unloading and reloading individual drums to move them around your plant! Both the PIG® Drum Pallet and Containment Sump have four-way forklift entries, so moving them from place to place is a cinch with no additional drum handling equipment needed.

Stackable pallets let you store up to eight drums on a single sump, saving you money and valuable floor space. Stacking height not to exceed two units.

With a second Pallet, you can stack up to four additional drums on the Containment Sump.

### PIG Drum Pallet and Containment Sump

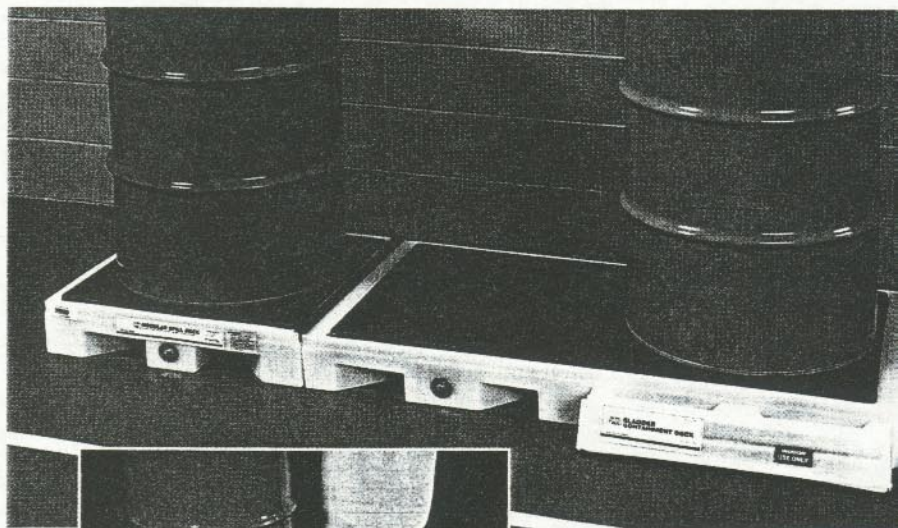

Each	1-6	7+
PAK642 • 51" L x 51" W x 17 1/2" H • 110 lbs.	\$289	\$279

### Drum Pallet

DRM733 • For use with DRM642 48 3/4" L x 48 3/4" W x 5 1/2" H • 57 lbs.	\$119
----------------------------------------------------------------------------	-------

## When space is at a premium, create an Inline Drum Storage Deck.

- Inline layout maximizes available floor space
- All Deck sides are pre-drilled and plugged—Deck may be expanded in any direction when space permits
- Attached Bladder Box—allows Deck to reach a full 66 gallons of containment; deploys when internal sump reaches capacity
- 100% poly—won't rust or corrode
- Available in 3- and 4-drum models

Attached Bladder Box provides 66 gallons of containment—keeps the deck height a low 5 3/4".

### PIG Inline Decks

Each	1-2	3-6	7+
PAK626 • 3-Drum 78" L x 26" W x 5 3/4" H • 76 lbs.	\$408	\$392	\$378
PAK627 • 4-Drum 104" L x 26" W x 5 3/4" H • 103 lbs.	\$488	\$462	\$446
