

SAVE OUR AMERICAN RESOURCES

# SOAR

RECYCLED OIL PRODUCTS

- **SOAR** was the first high performance re-refined full line of lubricants in the world. Recycling protects the environment and saves energy. The refining of one gallon of waste oil saves 84 gallons of crude oil from being pumped for the same purpose.
- **SOAR** is the name you can trust in re-refined oil products.
- **SOAR** lubricants are blended with the finest re-refined base stocks available
- **SOAR** is formulated to meet and exceed manufacturers' warranty requirements for engine lubricants and hydraulic fluids.
  - **SOAR's** satisfied customers include government agencies and some of the top companies in the United States.

**SOAR SDLX 15W-40 Motor Oil** is a highly versatile heavy-duty diesel engine crankcase lubricant designed specifically to meet year-round service requirements of diesel and gasoline engines calling for API Service Classification CH4/SJ (15W-40). It is formulated with the industry's highest quality additives in order to provide easy starting and full-body lubrication at high and low operating temperatures.

**SOAR Universal Tractor Fluid 303** is formulated with a new generation hydraulic/transmission additive and quality re-refined base oils for tractors and self-propelled farm implements, which require a multifunctional transmission, differential and wet brake system fluid. Blended to provide superior gear performance, chatter suppression, rust and corrosion protection and excellent low temperature stability. Meets or exceeds performance requirements of John Deere (J20A & J20 C), Ford, International, Harvester, J.I. Case.

**SOAR All Purpose Gear Oils** are high performance lubricants for automotive and heavy-duty diesel gear sets. These oils provide outstanding thermal stability, excellent rust and corrosion protection, excellent load-carrying capacity and extreme pressure protection. These gear oils meet requirement of MIL-L-2105D, GO-G and GO-H and API Service Classification GL-5. Available in SAE 80W-90 and 85W-140.

**SOAR DLX 10W30 and 10W40 Motor Oils** are low ash passenger car motor oils meeting the latest API Service Classification SJ. It provides excellent lubrication protection in a wide variety of operating conditions and is outstanding in the severe conditions caused by Short trips as well as stop and go driving. Available SAE 10W30 (SJ, ECII) and SAE 10W40 (SJ/SH).

**SOAR Hydraulic Oil AW** is a quality multi-purpose hydraulic oil designed to provide maximum protection for hydraulic pumps and systems. Formulated with selected re-refined base oil and superior additives to insure excellent anti-wear, oxidation stability, corrosion inhibition and anti-foam characteristics. Meets or exceeds the requirements for industrial and mobile hydraulic systems which call for Vickers 1-286 M-2950-S; Denison HF-1, HF-2, HF-D; Racine; and Cincinnati Milacron P-68, P-69, P-70. Available in ISO Grades 32,46,68 & 100
