

NEW!

#2081 Tight Head Drum Top Cover

#2080 Open Head Drum Top Cover

Drum Top Covers

The domed shape of our new drum top covers prevents water or contaminants from collecting on top and potentially leaking into drums. Rigid snap on design is tough - no cracking or splitting and polyethylene construction is resistant to most chemicals, acids, and solvents. Open Head: 23" diam. Tight Head: 24" diam. 5 Covers/Box
