

The dripless, splashless way to drain and pour liquids.

Hinged-lid Poly Funnel fits tight-head 55-gallon steel and poly drums.

- Fits tight-head 55-gallon drums only
- High 4" sidewalls provide added splash protection
- Optional lid creates a "hinge" when it snaps onto funnel—keeps dirt and contaminants out
- Made of durable polyethylene—won't rust or corrode
- Choose from four colors—Funnel is ideal for waste segregation
- Funnel and Lid sold individually or as a set (see order info below)

Drum Funnel

Specify Color: Black, Red, Yellow or White

Each	1-4	5+

Drum Funnel Strainer

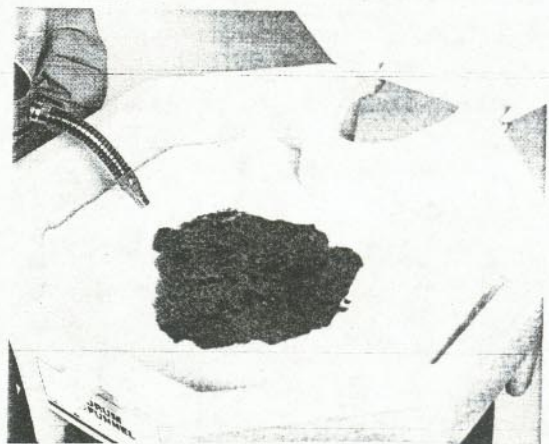

Each	1-4	5+
DFM628 • For use w/DRM639 & DRM672 • 2 lbs.	\$17	\$15

Horseshoe design permits a quick visual inspection when using a Pop-Up Fill Gauge—prevents overfilling.

Cleaner liquids in your drums...cleaner clothes at day's end.

Our Filter/Splashguard removes large particles of debris and prevents splashing when you pour waste liquid into any of our Poly Drum Funnels. Polyester fiber sheets are pre-cut for a perfect fit.

Drum Funnel Strainer.

Filter metal chips and other debris from liquid before you pour it into a drum. Stainless steel strainer resists corrosion and rust; lifts in and out of the drum funnel. Fits DRM357, DRM359, DRM452 and DRM454 only.

Drum Funnel Strainer

Each	1-4	5+
DRM459 • Drum Funnel Sold Separately • 1 lb.	\$17	\$15

"i dig pig because their products make my life easier."
