

Safely transfer flammable waste into 55-gallon drums with Justrite® Safety Drum Funnels.

Durable 18-gauge steel with powder coat finish is chemical- and chip-resistant.

DRM0001

6" brass flame arrestor prevents flashback fires.

Large 10 3/4" mouth for pouring without spilling.

DRM501

DRM389

Angled 33" brass fill tube prevents splashing; allows drum to be filled from the bottom.

- Fusible link melts at 165°F and snaps cover shut to extinguish flames
- Hinged lid with latch—includes loop for padlock so you can lock funnel
- Fits any drum with a 2" NPT bung opening

Safety Drum Funnel is available with either a 6" or 32" brass flame arrestor to prevent flashback ignition. Viscous Liquid Safety Funnel (DRM389) has 33" fill tube to allow thick liquids to flow easily into the drum. Prevents splashing and reduces vapors.

Our exclusive all-poly Burpless® Funnel is priced at just \$65!

- Made of 100% polyethylene—resists chemicals, rust and corrosion
- Can be used on any steel or plastic drum—fits 2" NPT bung opening

If you're looking for a vented Funnel—and you don't need to comply with closed container regulations—look no further! This all-poly Funnel allows you to pour liquids into a drum without splashing or "burping" back. And you don't have to remove the 3/4" bung for venting.

Its hinged lid is available in 3 colors to help you segregate waste. Lockable lid prevents unauthorized access. Threaded brass insert allows you to screw the Funnel right into the bung on a drum.

Threaded brass insert screws right into drum bung.
