

## Why choose PIG® Brand Mat

**P**IG® Mat can't be beat for cleaning up daily leaks and spills. No matter what job you're facing, there's a Mat that can handle it. And because we make PIG® Mat right here in Tipton, PA, it's always in stock and ready to ship out to your plant.

Pads or Rolls, there's no doubt about it, PIG® Mat gives you the best value of any absorbent mat on the market. Here's why:

- Our exclusive "dimple" pattern increases liquid retention
- Perforations every 10" help you minimize waste
- Multi-layer construction adds strength and durability
- Flame-resistant polypropylene won't burn, even around hot sparks
- Most PIG® Mats are packaged in convenient dispenser boxes

But perhaps this is the best reason to choose PIG® Mat: you just can't get this kind of spill cleanup performance ANYWHERE else!

# There's a PIG® Mat for every job

### High Absorbency pages 8-17

PIG® Mat offers high absorbency in low-traffic areas.

- Universal absorbency—absorbs water, oils, coolants and solvents
- Dark gray color to hide grime
- Choose Pads or Rolls in 3 versions: heavy-, medium- and light-weight

### Indoor Oil Spills pages 18-19

Oil-Only Brown PIG® Mat hides grime while it absorbs grease and oil indoors.

- Absorbs petroleum, hydrocarbons and other oil-based liquids, but no water
- Ideal in shop environments where oil and water are present

### Versatility pages 20-21

4 in 1® PIG® Mat offers the versatility of 4 absorbents in one hardworking product.

- Get 4 uses from one product: a sock, a pad, a wipe and a roll
- Absorbs water, oils, coolants and solvents
- Fast-wicking top layer transfers liquid to absorbent inner layer

### Grime Hiding pages 22-23

Ham-O® PIG® Mat is guaranteed to hide leaks and drips longer.

- "Hamoflage" pattern hides leaks and drips longer
- Absorbs oil or coolants (not recommended for solvents)
- Scuff-resistant top layer resists abrasion

# Here's how to choose:

## **Outdoor Oil Spills** pages 65-66

Oil-Only White PIG® Mat absorbs oil spills outdoors on land or on water.

- Absorbs oil, but repels water
- Can be used to absorb oil spills on land OR water
- Effective even in the rain!

## **Acid & Base Spills** page 70

HAZ-MAT PIG® Mat absorbs acids, bases and unknown liquids.

- Highly-visible pink color identifies hazardous spills
- Absorbs acids, bases and unknown liquids

## **Flammable Liquids** page 69

PIG® Stat-Mat® is specially designed to absorb flammable liquids.

- Treated to dissipate static buildup
- Ideal for situations where flammable vapors may be present

## What does *Always in Stock* mean to you?

We know how much you depend on PIG® Absorbents to keep your workplace clean and safe. When you see this symbol, it means that the product is always in stock — any time you call!
